**32" WIDESCREEN  
HD-READY LCD TV  
WITH DIGITAL TUNER (DVB-T)**

## Large enjoyment in HD quality

ViewSonic's HD ready N3246w 32" widescreen LCD TV brings brilliant, life-like colours for superb family entertainment to your home. A built-in digital tuner (DVB-T) provides extra flexibility plus crisp digital video and life-like audio quality. Intelligent image optimising technology and high-definition 1366 x 768 resolution guarantee smooth, blur-free HD motion video. Higher contrast ratios and excellent brightness levels let you see brighter and richer graphics. Numerous inputs such as HDMI (HDCP), dual SCART, dual composite, S-video, component and even a PC-VGA connector give you full connectivity and the freedom of future-proof compatibility. Two powerful 10-watt stereo speakers driven by the innovative SRS WOW virtual surround sound system bring your viewing experience to another level. N3246w – enjoy stunning picture quality and unparalleled versatility for years to come.

### HDTV – PURE CINEMA ENTERTAINMENT

> Built-in DVB-T – decode and watch the digital world of TV programs<sup>1</sup>

> Advanced image processing

Integrated motion adaptive progressive scan, 3D comb filter and 3:2 pull down give you a larger, clearer picture with fewer artefacts. Low level contrast enhancement brings clarity to darker images.

> Experience widescreen HDTV

Enjoy a widescreen theatre experience and high-definition<sup>2</sup> picture quality with this display's 16:9 aspect ratio, HD ready capability, and wide viewing angles.

> Vivid graphics, clear text, stunning TV

Ultra-high brightness of 500cd/m<sup>2</sup> (typ.), a high contrast ratio of 1200:1 (typ.), and 1366 x 768 optimum resolution provides vibrant video and crisp data images on the desktop or in the living room.

> Expand your options with plug-and-play connectivity and universal remote control

This HD ready, LCD TV provides the ultimate viewing experience with plug-and-play, high-end connectivity for HD set-top boxes, DVDs, game consoles and camcorders.

> OptiSync<sup>®</sup> technology featuring HDMI

Add versatility to your LCD TV with support for HDMI with high-bandwidth digital content protection (HDCP) and analogue (PC-VGA) signals, plus dual SCART, component, S-video and dual composite video inputs.

> Powerful high-fidelity audio

It's all accompanied by an ultra-high-fidelity 20 watt SRS WOW audio system that completes the entertainment experience.
