

The ultimate wide-screen-TV experience

No matter if for thrilling video entertainment in the home or as a wide-screen entertainment and information display for public spaces, the 40" N4066w (102cm) with DVB-T digital TV receiving capability is an excellent choice. The stylish next generation high definition LCD TV with an HDMI (HDCP compliant) interface guarantees true digital connectivity for improved uncompressed digital video and audio quality. Equipped with ADVANCED DNX™ VIDEO SIGNAL PROCESSING it boasts an ultra-high contrast ratio and brightness value for sharper, brighter and richer images. Furthermore, the latest generation ULTRA FAST-RESPONSE time panel will provide a completely fluid viewing experience even when watching fast moving, high-speed images. The advanced integrated sound system will immerse you with impressive virtual surround sound.
